## Greetings Unto the populace of Borealis,

First we would like to thank all of you for participating in the polling process for Baron and Baroness of Borealis. We can tell you with all certainty that this has been the most wonderful polling experience we have had in two reigns. We cherish the folks of Avacal and Borealis and it is clear to Us that the populace of the Barony share a wonderful respect for one another. Borealis truly stands out as a stellar example of camaraderie.

After going through all of the polling forms, reading all of the e-mails, receiving council from the peers of the area and those surrounding areas as well as past Crowns, we have come to Our decision.

Both couples had much support and in most cases both couples had complete support from each person who sent in poll sheets. In the end, it was Reme the Burgundian and Divera della Cava who have the heart of the Barony. We look forward to greeting you all soon to elevate you as Our Baron and Baroness of Borealis at Silverwolf.

We would like to thank Jean de Chailiac and Guillaime Rosalind de Gualle for putting yourselves forward to serve Our barony and the Kingdom by participating in the baronial process. It is obvious that you are very much loved and well respected within Borealis and Avacal.

It is Our hope that you will participate in this process again in the future. We have complete confidence as does the populace there that you would make a fine Baron and Baroness. Thank you very much for all that you do for all of Avacal!

Sincerely  
Skeggi King An Tir  
Taisiia Queen An Tir

# Officers & Deputies Needed

You can't run a Barony without Officers and Deputies. The Barony of Borealis has some openings that need to be filled.

Positions for;

- Chirurgeon (Officer)
- Scribe (Officer)
- Master/Mistress of Fence (Officer) ~ Pending
- Beverage Quarter Master

If you want to help out, but feel that you are not ready to take on the responsibility of an officer position, the Barony is always looking for Deputies. These souls help out the officer to fulfill the requirements of the chosen position, and also help out when the officer is unable to fulfill their duties.

If you are interested in either becoming an officer, or a deputy, please talk to our Seneschal.

## Rapier News

On Sunday April 17's practice the Rapier fighters were fortunate to be able to have a practice with a visiting fighter from Danscombe (Penticton BC.) HL Molly Modine made the trek up to give a 2 hour lesson on the differences between SCA rapier fighting, and a more historically accurate fighting.

After the lesson, a bunch of people proceeded to the Boston Pizza over by Nait, where the discussion continued, and butter knives were the substitute for swords, as her ladyship, and our upcoming Baron Reme continued to give demonstrations, to the delight of all who were in attendance, and not so delighted restaurant staff.

## Newcomers Corner ~ By S. Gumbleton

My first experience at an event was absolutely fantastic! My daughter, Phelan, had asked me if I had wanted to go to an event while I was in Edmonton. I had never attended an event before & was excited to go. Phelan warned me that there could be over 200 people at this event. But, because of the size of the location where the event was being held, it didn't seem too crowded.

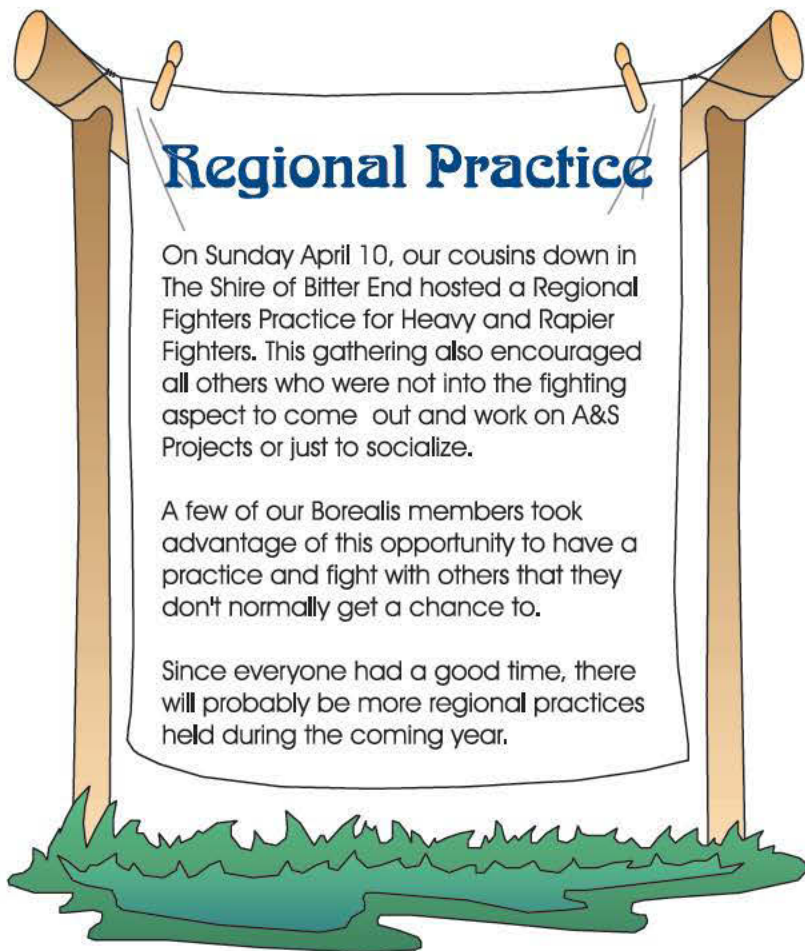

Everyone was very nice & very helpful. For being a "newbie" I was very impressed. Everyone, no matter how busy they were, took the time to explain what was going on. Especially the rapier event & heavy fighting event. I had lots of questions and it didn't matter whom I talked too, they took the time to explain. Even when the crier was announcing who had won an event, while the next event was taking place, he took the time to explain what was happening with that certain event.

If a person didn't know any better, you would swear you were back in that time period. My daughter took the time to introduce me to different people & after she did, those people also said that if there was anything I needed, to please ask.

I felt very welcome & not the least bit an outsider, despite the fact that I wasn't wearing the "garb".

The only suggestion I would have, is that for any "newbie", they should be told about all of the different things that transpire at an event. Apparently there was a "singing" contest, but I wasn't aware of this until after. Perhaps a "program" of some sort would help anyone who has never been to an event before. This would give them a better idea of what actually goes on at an event.

Being at this event was most enjoyable & I would very much like to attend more of them.

### Regional Practice

On Sunday April 10, our cousins down in The Shire of Bitter End hosted a Regional Fighters Practice for Heavy and Rapier Fighters. This gathering also encouraged all others who were not into the fighting aspect to come out and work on A&S Projects or just to socialize.

A few of our Borealis members took advantage of this opportunity to have a practice and fight with others that they don't normally get a chance to.

Since everyone had a good time, there will probably be more regional practices held during the coming year.

### Greetings Everyone

I have been doing some digging and have found some ideas to keep the smalls entertained at Silverwolf. I do however need some help at getting a few supplies together.

I am looking for cloth belt pouches (about 20). These can just be sewn out of scrap pieces of material as they do not have to be very large.

I would like a casing sewn in the top for a draw string so they can attach them to their belts. Lighter colors would be best then they can decorate them.

Just send me an email if you are able to help me out with this as I will Not be at Tavern on Wednesday.

Thank you
