

the AURORA

AS XXXVIII

(January/February 2004)

A Fond Farewell unto the Greatest Barony An Tir will ever know from Baron Magnus and Baroness Sidonia,

As you are all aware, Borealis as it currently exists is very unique structure. In the early years, this region had a massive land area with a sparse population. Edmonton began as a Shire and expanded to include members in Cold Lake as part of the shire in 1983. Edmonton and Stonewolf contributed numbers to enable the Shire to reach the minimum number required for Baronial Status and thus the Barony of Borealis was so created in AS 19 (September 1984). In 1985, the people in Cold lake formed the Canton of Lakelands, Camrose formed the Canton of Schwanstein and Lloydminster formed the canton of Bordergate. This expansion meant that the number of memberships in Edmonton alone was not enough to meet the requirements for a Barony so the Kingdom and the BOD gave Borealis permission to form the Barony out of Cantons so that each of the Canton numbers would count towards the status of the Barony. The populace in Edmonton then also formed a Canton, currently known as Vatsndalr. Each Canton had its own officers and an equal voice in the workings of the Barony and the Baronial Officers were divided amongst the Cantons. The Events at which the Baronial championships were held moved between the Cantons, as did the Baronial Meetings. This relationship formed many tight bonds with all living in the lands of Borealis and has served this region well for the past 19 years. The great cohesiveness and unity of this area drew in the populace of Grande Prairie to join Borealis as a Canton in 1999. The Barony has functioned well in this form and Borealis has grown and prospered and been able to enjoy the Pageantry and Splendor that comes along with being a Barony. Now we boast of over 100 members, and proudly claim a Duke, five Viscounts, seven Viscountesses, a Kingdom Champion and countless Principality Champions within our Lands. We have proven to An Tir that we are strong and that we are amongst the mightiest of her armies upon any war field. We have hosted countless Kings and Queens and several Royals and Peers have traveled from other Kingdoms to visit our lands.

The time has come now for change. Just as our unique structure was the support we needed to exist in the beginning, it is now seen as a hindrance towards further growth of these lands. You have supported the notion that each of our three cantons is strong enough to stand-alone and work towards independent growth. The ultimate goals being that each newly formed Shire will pursue the path of becoming its own Barony one day. We feel that the experiences afforded to you all as part of the Barony of Borealis have prepared you to go forwards and to continue on as an integral part of the SCA. We look forwards to the

Vatsndalr

Stonewolf

Vinjar

path that our populace has chosen to explore and expect nothing but continued growth and prosperity as each Canton proclaims their autonomy and independence as separate Shires within Avacal. We are fortunate to have had the opportunity to spend the past three years as Your Baron and Baroness and we could not be more pleased with all of you for your accomplishments and contributions to Borealis, Avacal and An Tir. We feel that we have an enormous family of whom we are very proud to call our own. We did not expect to have to leave you all so quickly, but it is the will of Their Majesties, King Gunnarr and Queen Gabriell that Borealis be dissolved by the end of Their Reign. We cannot adequately put into words how much you all mean to us and how thankful we are to have been afforded the opportunity to be part of Borealis. It is with great sadness that we say goodbye to Borealis, but it seems that the time is right for change. To our champions, officers, Serjeantry and retinue who have faithfully served us over the past three years, we thank you for your dedication and support. We would be nothing if not for all of you who believe in this dream and who make it happen. We also would like to thank the autocrats and feastocrats and all who attended Yule in Vatsndalr for making us feel so appreciated.

Lastly, we invite everyone in Borealis, and beyond to join us at our final court to be held at the Feast of the Evergreen on February 7, 2004 in the Canton of Stonewolf. We would like to pay tribute to Borealis by acknowledging our history, all who sat before us and all who served as champions, officers and Serjeantry. If there is any amongst you who would like to share a short story about Borealis (an event, a battle or simply a fond memory) during the last court, please contact us so we might include you in our business. As our final act as your Baron and Baroness, we shall return the lands of Borealis to Their Highnesses Prince Stein and Princess Gemma. They will then, elevate each former Canton to a Shire of Avacal so that you may all begin a new journey in this glorious game.

**In final service to Borealis as
your Baron and Baroness,
Magnus and Sidonia,
(and baby Torann)**

Greetings Unto the Populace of the Barony of Borealis,

This seems to be my last missive in this, the final edition of the "Aurora." As you all know by now, the Borealis polling is complete and it has officially been announced that all three groups, Vatnsdalr, Stonewolf and Vinjar, will soon begin their own journey as independent groups. At Kingdom 12th Night, Their Majesties will elevate the three groups to Shire status and the Board of Directors shall officiate everything at their January 17, 2004 meeting.

Please join Their Excellencies, Baron Magnus and Baroness Sidonia, at Feast of the Evergreens to witness Their final court. At this court, Their Excellencies will return the lands of Borealis to Their Highnesses of Avacal. At that time, Their Highnesses of Avacal, with permission of Their Majesties of An Tir, will elevate each of the three cantons to Shire status. Each Shire will then be able to follow their own path, where ever it may lead.

I want to, again, extend my thanks and gratitude to each group and their populace for making this a positive endeavour.

I hope that you continue your journey in this SCA game continues to thrill and excite you with each endeavour you strive for. I only ask that you step back from it all, from time to time, to take a breath and remember what brought you out to witness what we do and what kept you coming back event after event. With that in mind, I am glad I have met you all and I hope that we continue to meet at each turn of the road.

Now Unto the Seneschal's of each Canton,

I would like to thank you for your endless and devoted work with this current restructuring. There have been many changes throughout this process and your continuous efforts to keep your populace informed has been outstanding.

On to a little more administrative duties before I leave you to lead your groups. You will want to remind your officers that their reports will now go directly to the Avacal counterpart. All branch officers are to report to their principality superior or designated reporting Deputy by the fifteenth of the following months: January, April, July, and October. A Kingdom Officer can require greater reporting frequency if the needs of the office dictate it.

NMS money collect should be sent to the Kingdom

Exchequer within 30 days of the date of the event. Waivers must be sent to the Kingdom Waiver Secretary within 30 days of the date of the event.

Avacal Kalendar is held each February at curia following February Investiture. Please make sure you have your Event Registration forms to the Avacal Kalendar officer by that time or you may lose the date of your event. The Event Information form, along with your event copy, should be in to the Avacal Kalendar officer at least 3 months prior to the event. This way your event copy will make it into the Crier. Each group must place at least one event into the Crier and collect NMS money.

Please make sure you have access to the current copies of Kingdom Law, Avacal Law and Corpora. They can be found at either

and/or

Thank you again for making my job easier. I would like to make myself available to you, should you need it.

Yours ever in Service,

Sadb ingen Thauathail, GdS

Barony of Borealis.

Chroniclers Scrawl

This will be the last issue of the Aurora for me. I have enjoyed putting it together for everyone, and I hope everyone enjoyed reading it.

I would like to thank everyone in the Barony for their many kind words about the Aurora. I would like to thank especially Baroness Sidonia for providing so much material, even before she was Baroness, and Baron John MacLeod the Black for challenging me to come up with the original online version of the Aurora that everyone in Avacal now seems to be using as a template for their online newsletters. I wish to also thank Master Valgard, HE Inga & Lady Eyoddi for distributing the Aurora in Vatnsdalr. Finally, I would like to thank Baron Magnus, Mistress Baroness Adeline, Master Baron Alfeim & my most beautiful wife, HL Sadb for their absolute faith & support for me and the Aurora.

Stonewolf Meeting Minutes

Saturday November 22 2003.

1. The Demo on April 24 2004 will be handled by the Canton (Shire) instead of for the Quad site. We have a meeting on December 1 2003 to talk with the Wing association for what they would like us to do for them.

2. Iago brought up a way to get us some free advertising with putting our pamphlets and some displays at the information centre. He will check on that for us and we will go forward with it if possible.

3. Antonia brought up an idea about putting on a demo for the public with all of the profit going to a charitable organization. We will look into the prospects for February to March. Another idea was to have a tavern as an open house where people can come and go as they wish to see the SCA . This would be with finger foods Medieval of course. We will check into that at another time.

4. Should we have a web page? Some feel that is we had a web page we would be able to help others who are interested in the game to be able to look us up on the internet. Stafka will check with some one to learn how to make a page we then will get some one to maintain it.

5. The Learning Centre in Cold Lake is putting on a day called A Festival of Words did we want to participate? Yes so I will talk to the organiser and arrange if we can do a teaching demo and maybe a craft (medieval).

6. We want to start recruiting in the other communities such as Bonneville, Lloydminster, Wainwright, and Vermillion. We will try to talk to Pearlann in Wainwright and Tina in Lloyd Minister.

7. All are in agreement to let Vatsndalr have the Name and Regalia (as to what the Baron and Baroness proposed) unless there is a guarantee that the name can be used for a Region (Principality).

8. Due to a little infraction it has brought up that at an event if you bring guests then You are responsible for them at all times.
